4th STREET Natural Sweet Red is easy to drink, fresh and naturally sweet. Unashamedly uncomplicated, easy-drinking and versatile, 4th STREET is a wine inspired by a passion for friendship and sharing. That's why wherever there are good times, there's 4th STREET.

## **Trust The Source**

4th STREET wines are made from quality grapes sourced from selected vineyards throughout the Western Cape.

## **Know The Wine**

4th STREET grapes are harvested in February and March at optimum ripeness to ensure a maximum burst of fruity nectar. Standard winemaking practices are followed to produce the red and white base wines. Fresh grape juice is preserved, allowing no fermentation. The final fresh sweetness comes from careful blending of the light, fruity wine and the full sweet grape juice – resulting in an easy-drinking, low-alcohol wine.
