LET'S CONNECT

When it's time to get together with friends it's time to open 4th STREET. Our range of Sweet Red, Sweet White and Sweet Rosé varietals are fresh, naturally sweet wines that burst with fruity flavours and complement every occasion.

MEET THE SWEET

4th STREET Natural Sweet Rosé is easy to drink, fresh and naturally sweet. Unashamedly uncomplicated, easy-drinking and versatile, 4th STREET is a wine inspired by a passion for friendship and sharing. That's why wherever there are good times, there's 4th STREET. But keep it cool, this wine is best served chilled.

TRUST THE SOURCE

4th STREET wines are made from quality grapes sourced from selected vineyards throughout the Western Cape.

KNOW THE WINE

4th STREET grapes are harvested in February and March at optimum ripeness to ensure a maximum burst of fruity nectar. Standard winemaking practices are followed to produce the red and white base wines. Fresh grape juice is preserved, allowing no fermentation. The final fresh sweetness comes from careful blending of the light, fruity wine and the full sweet grape juice – resulting in an easy-drinking, low-alcohol wine.
